## Child-Development Focused Programs

SKYHAWKS SPORTS programs are safe, non-competitive and a positive introduction into sports for kids ages 4 to 14. A variety of games and activities are used to give each child an overview of the sport while building valuable skills and ensure they walk away with a smile every time!

Respect, Teamwork, Sportsmanship and more are discussed daily to ensure Skyhawks goal of Teaching Life Skills through Sports is a top priority!

### Our Goals

- Develop **MOTOR SKILLS** through fun games like hoopla, relay races, obstacle courses and more
- Practice **SOCIAL SKILLS** by interacting and sharing with friends
- Introduce **ATHLETIC DEVELOPMENT** by moving and using their whole body
- Instill a **LOVE FOR SPORTS** while playing multiple sports like baseball, basketball, flag football, soccer and more
- Promote **FUN** above all else

SUPERTOTS SPORTS programs are a great opportunity for kids ages 2-5 to get out and play in a fun, preschool-based sports environment. We focus on preschool skills like listening, following directions, sharing, waiting turns, as well as colors, numbers, shapes, sizes and more. We do it all with a ball -

**BASEBALL, BASKETBALL, FOOTBALL, SOCCER and VOLLEYBALL.**

We love teaching both preschool skills and sports skills. We can't wait to PLAY!
